EDITOR'S NOTE

Dear Brothers & Sisters

Thank you so much for reading this magazine. I appreciate you all so much, because of people like you I can continue my ministry. Thank you from the bottom of my heart. I would like to share another powerful testimony. I recently met a homeless couple sitting in front of Stater Brothers. As I walked over to them, I asked, "Can I get you guys something to eat?" The young woman would not make any eye contact with me, she constantly kept looking down. However, the young man was a bit more engaging. As he looked up to me, I was SHOCKED!!!! I have NEVER seen more beautiful eyes in my entire life. His eyes were the most beautiful colors of blue, yellow, grey, and green. They were Gorgeous. He was also a very attractive young man; I am guessing in his mid-20's. As he looked up to me, I said to him, "Oh my goodness, you have the most beautiful eyes." He was taken back a little, he seemed a little shocked that I had just complimented him. I believe in his corrupted, drug induced mind, he sees an ugly worthless human being. I know the enemy's tactic, he is the master liar!

He was taken back a little, he seemed a little shocked that I had just complimented him. I believe in his corrupted, drug induced mind, he sees an ugly worthless human being. I know the enemy's tactic, he is the master liar! I noticed that I began to gain his trust. He responded, with a variety of drugs. He mentioned his name was Scott. I finally asked him point blank, "What drugs are you addicted to?"

He said, "Whatever I can get my hands on." I told him about the LOVE of our Father. I told him that Satan has infused his mind to think that he is not worthy, a piece of garbage, the ugliest person ever, who deserves to be homeless. I told this young man that he needed to wake up! I told him how incredibly handsome he was, how God loves him, how Jesus died on a cross for him, how he is my brother, how much JESUS loves him. I asked him another question? If you died today, where do you think you would go? Water began to fill his eyes. He responded, "I don't know." I told him he should know where he is going, and he should know the love of our creator. He was SO close to accepting my invitation to SET FREE MINISTRY (a free drug detox center). If you flip through the magazine, you will see their ad.

I wrapped my arms around him and told him how much I loved him. I begged him to go to the detox center. Suddenly, his girlfriend jumped up off the ground and grabbed his hand and said, "We need to go NOW!" He asked me for my cell number and said the minute he is ready he will call me.

I truly believe that his girlfriend was part of the enemy's plan to keep him away from the Lord. Unfortunately, her plan worked. As they walked away, I said to them, "Please do not ever forget that God loves you so much." Everyone please pray that one day, my now new friend, Scott will accept my offer. Pray for our brothers and sisters who are drug addicted. As you pass by a homeless person, I beg you to stop and speak to them. These people are our brothers & sisters. You never know, your moment with them could be what finally makes them want to change. My number is in the magazine. I urge anyone and everyone to please call me. Anytime or any day, I don't care the circumstance. We can take them immediately to SET FREE MINISTRY. One day in heaven, our Lord will show us all the people we have helped save. Let's increase the size of our kingdom together. I love you all so much! God bless!! Keep looking up, He is SOON returning!!! I can almost hear the trumpets!! YAY!!!!

FEATURE STORY

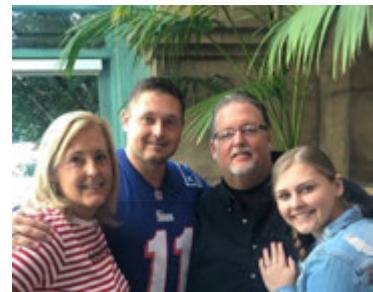

Dear Readers,

This month's issue I am so proud to introduce you to Celeste Ducharme. I am not the kind of person who is impressed by money, status, power, fame.... What I am impressed by is a person with dignity, honor, love for others (how they treat others), kindness, compassion...I have the utmost respect and admiration for this woman. I remember as if it were yesterday, I met Celeste at a huge chamber event. I remember as I passed her booth, she gave me the SWEETEST smile and her eyes looked so genuine. Celeste has a special light about her, I believe it's the Holy Spirit that resides in her heart and mind. As you all know, I strive to screen each advertiser in this publication. I want my readers (YOU) to have the very best in our community. I must express with all confidence that Celeste is the most INCREDIBLE woman in our community.

Celeste is the Vice President of Self-Storage Development with Rancon Group. Celeste and her amazing husband Roger have been married for 32 years. They have 2 successful adult children and soon they will be grandparents! Yay!!! I had the pleasure of interviewing Celeste's staff. I wanted to know what it's like working for such a remarkable woman. Every single facility said almost the same exact thing, "I have never worked in such a loving environment or treated like family." One of her manager's stated "Celeste has changed my life, I look forward to coming to work, I find joy and peace working for Ranch RV & Self Storage. I don't see me working anywhere else." Ranch RV & Self-Storage is not just a storage facility. The staff are loving & caring people, who Celeste handpicked for the job. Celeste explained to me recently that Ranch RV & Self-Storage is a place of Love & Compassion. Some of their customers have recently lost their homes, divorced, death, moving... They are hurting and the staff is there to give them a hug, or a prayer if they are open to receiving. Celeste truly LOVES people! Her heart is on FIRE for God and her team! I cannot wait to see where God leads this woman. I am honored to know her and call her my friend! Celeste recently wrote a POWERFUL book (The Journey is yours to take- Frazzled to Fabulous), which I absolutely adored. It's the kind of book that will give you courage and empower you to be the BEST version of YOU! We all have purpose in this life. God wants us to know our worth, and this book lit a fire in my soul. I attached the image, please order your book today. I promise you that you won't put it down. What I appreciate so much about Celeste is her raw and real nature. Her story/testimony will save lives and give people a greater purpose. It's a GREAT book!

May our Awesome God continue to bless Celeste and Ranch RV & Self-Storage! Thank you, Celeste, for being a part of Our Valley Magazine! Thank you for loving others the way you do!

HERO OF THE MONTH

Don Batiste

Dear Readers,

I am thrilled to introduce you to retired Marine Master Gunnery Sergeant, Don Batiste. I was introduced to Don by the owner of WE CARE Plumbing, Heating & Air (Rusty Cochran) a few months ago. I needed to conduct an interview on a previous client for our Instagram commercial. I was given Don Batiste's cell number and the rest is history!! I instantly fell in love with Don the minute I met him. The moment he opened his front door, I received the most welcoming smile and handsome face to greet me. Don graciously invited me into his beautiful home, and we became instant pals.

Don and I began to speak of his awesome experience with WE CARE Plumbing, Heating & Air. He had so many beautiful things to say about his experience. As we were chatting, I noticed he was wearing a retired Marine cap. I thought to myself, he would make an AMAZING HERO of the Month. After we wrapped up the meeting for WE CARE, I asked him about his service. I was blown away by what this man has experienced in his life.

I have mentioned this before, but I will share this again. I am rarely impressed by people; however, I was blown away by Don Batiste and his amazing testimony. Don is the most FASCINATING man to have a conversation with. We spoke for quite some time, yet I still wanted to hear more. We ended up meeting for coffee a few weeks later, this God fearing/ loving man was the most impressive person I have met.

I asked Don why he decided to join the Marines, and his answer was hilarious. Don has an older brother who told Don how terrible Vietnam was and that Don "did not have what it takes to be in the Marines". Well, that comment was enough to motivate Don to join the Marines at the young age of 18. He was determined to prove his big brother wrong.

Don was deployed to many places during his active-duty career. Places like Iwakuni Japan, Okinawa Japan, and Osan Korea.

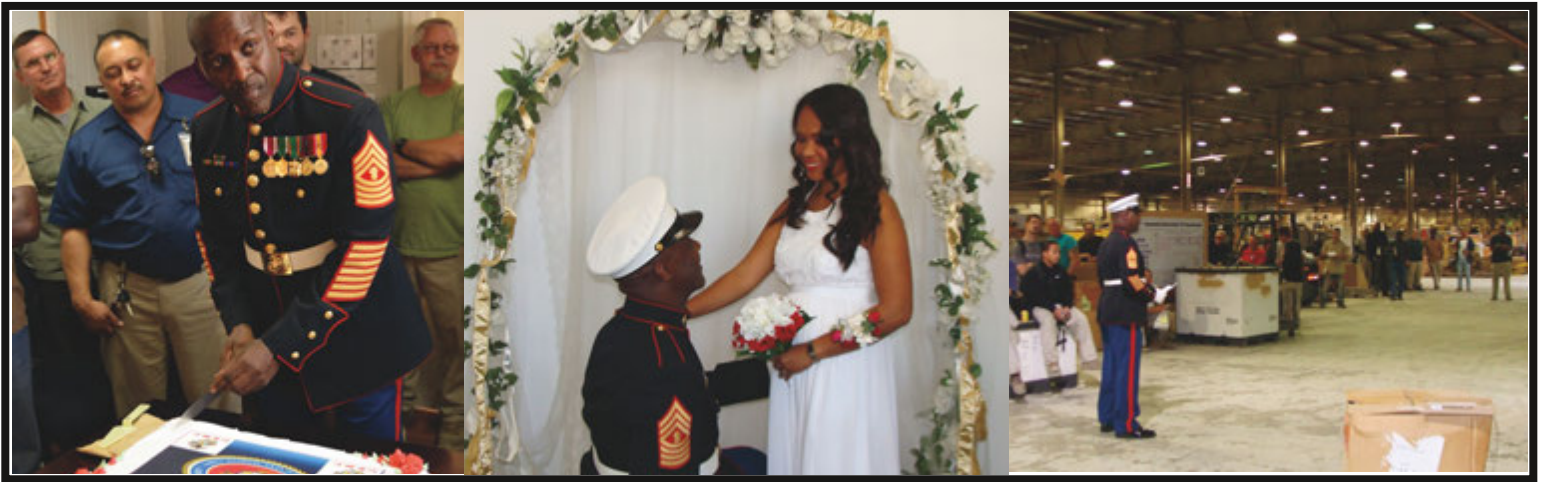

After retirement from the Marines he accepted a position as Field Service Representative with Oshkosh Truck Corporation Defense Department where he gave another 10 years of his life. Oshkosh Truck Corp. supports all of our United States Military by manufacturing the industry's toughest trucks and equipment. With Oshkosh Don was deployed all over the world; he managed projects in Iraq, Kuwait, Afghanistan, Dubai and Jordan. At times in the war zones he had to sleep fully clothed in case of sudden enemy attack. I asked Don if he ever felt scared. Don said that "No, I knew God was with me".

Don Batiste is a TRUE AMERICAN HERO!!! He has risked his life so many times to save ours. His love for our nation is what made him choose to risk his life. Don is one of those people who you INSTANTLY will fall in love with. I can clearly see the Holy Spirit in Don. His smile is so infectious and caring.

Don retired in Oceanside, CA. Soon after he felt a calling from the Lord to buy a home in Temecula, CA. Thank goodness Don moved to Temecula, or we would have never met. Don and his beautiful wife's home has the presence of the Holy Spirit the minute you walk inside. It's filled with peace and tranquility. Don has two very successful adult children with whom he is very proud of.

Currently Don is still doing God's work. He has purchased land in the Philippines and is building his wife's family a home. His wife's family is so grateful to Don for his love and care for their daughter and for their new home. Everywhere Don goes he is a blessing to people.

Thank you, Don Batiste, for your service to our Country, and for your love for others! You are a true American Hero and God is so proud of the life He has blessed you with. Thank you for risking your life for others, that is the greatest gift to mankind. We honor you and we thank you!

Congratulations! You are our MARCH Hero of the Month!

Question to Esther

Ask A Question

WITH
Esther

Dear Esther,

Question:

I really love your column. Thank you for inspiring so many. I have been struggling for years about whether or not I need to move my family out of California. As a Christian I feel that God wants me to leave this liberal state. As the man of the house and provider, I am torn. I have an amazing job that I would be walking away from. I know at the end of time (which I feel we are in) God wants us to leave and live self-reliant. I really would love your insight and guidance on this matter.

Thank you and God bless!!!

Confused Father

Answer:

Dear Confused Father,

Thank you so much for your kind words of encouragement, and I take it as a positive motivation to continue my monthly writing column for Our Valley Magazine. Thank you for your blessing and God bless you too. According to your question, I am sure you read and study your Bible. In the book of Revelation the apostle John repeated the words of Jesus that said, "blessed is the one who reads the words of this prophecy." Also in the book of John, Jesus said it Himself: "you diligently study the Scriptures for in them you have eternal life, and they testify of Me." Your question is well elaborated in chapters 24 of Matthew and Mark 13, with the title: "Signs of the end of time." I agree with you, we are getting very close to the end of our lives in this world of sin. It was Jesus' recommendation for His people to leave the cities and to live in a peaceful, healthy, and quiet place away from the noise and the abominations of crowded cities. A good example is in the book of Genesis chapter 19, when the two angels of God came to rescue Lot and his family to escape to the mountains, lest they would to be destroyed along with Sodom and Gomorrah.

It was not God's purpose that people should be crowded into big cities polluted with all sorts of troubles like: violence, liars, murderers, suicides, robberies, crimes, sexual immorality, and all types of corruptions. Before Jesus went back to heaven He left some comforting words of promise in John 14:1- 4. He is in heaven preparing a home for those who are faithful to Him. " And behold I am coming quickly, and My reward is with Me, to give to every one according to his work. I am the Alpha and the Omega, The Beginning, and the End, the First and the Last." Revelation 22:12,13. God prepared a beautiful garden as a home for Adam and Eve. He placed them in close touch with nature. It is God's desire that people live simple lives, enjoying the work of His hands and contemplating His Glory daily. For your meditation read Psalm 19.

As you already said, you have been debating with yourself for years. If you feel ready, take a leap of faith, God will guide and protect you. Mother Teresa once said: The most potent word in the world is Faith. The example of faith of so many people made their stories into a testimony and became history until the end of the world.

My sincere desire is for you to be happy with your family, no matter if you move away or not. "Do not be afraid or discouraged, for the Lord will personally go ahead of you. He will be with you, He will neither fail you nor abandon you." Deuteronomy 31:8.

*May God keep blessing you,
Esther*

“LET’S SUPPORT OUR OWN”

Our Temecula Auto Mall is a PROUD supporter of Our Temecula Valley Publication. These local dealerships TRULY believe in our community and LOVE OUR LORD! They give back to our schools, teachers, students, athletes, churches, medical professionals, military, police...and the list goes on and on. One dealership even goes above and beyond to help with our local animal shelter (Animal Friends of The Valley). These owners/managers are GREAT people. I have the pleasure of personally knowing them all. Please visit our website, OurTemeculaMagazine.com or Instagram @OurTemeculaValley to meet our amazing dealerships on a personal level. Hear their answers to tough questions. Get to know them. I promise you won't shop anywhere else! Remember, we need to shop and play locally! Our community needs our support. We live in the BEST city in all of Southern California. Let's show them loyalty as we drive around with new car plates from our own city! What a blessing to know that we gave back to our own!
